PERSONAL PROJECT

BMW 335i — 500HP Build

- Built a 500hp BMW 335i through turbo and engine modifications, gaining hands-on experience with European turbocharged platforms beyond American muscle

WORK EXPERIENCE

Berg Performance — Denver, CO

Shop Assistant

August 2024 – May 2025

- Assisted technicians with services from oil changes to full exhaust replacements on high-end vehicles including Porsche GT3 RS
- Supported builds and maintenance in a professional performance shop environment
- Managed parts organization, vehicle prep, and general shop upkeep

SERVICE INDUSTRY EXPERIENCE

Grizzly Rose, Palenque, La Chupaflor, Adelitas — Denver, CO

Various Roles (Barback, Host, Expo, Team Member)

2018 – 2025

- Worked 5+ years across Denver restaurants and venues, consistently handling high-volume, high-pressure environments
- Managed competing priorities across kitchen, bar, and front-of-house operations simultaneously
- Built strong customer communication skills through direct, professional interactions during peak service
- Delivered accurate cash handling, inventory management, and order quality under constant time and volume pressure
